FESPA Australia Annual BBQ – getting bigger by the year!

An enthusiastic crowd of over 60 members of Australia’s specialty printing industry attended the annual FESPA Australia BBQ on Wednesday 10 March 2021 at the Royal South Yarra Lawn Tennis Club in Melbourne.

This iconic event has been taking place for over 30 years and seems to be getting bigger and better each year!

Sponsored by ESKO, HVG Graphics, Spicers, Kissel + Wolf, Cactus Imaging and Mulford Plastics, the BBQ offered members a long-awaited chance to catch up for a drink and enjoy a gourmet BBQ spread.

“It was a fantastic evening,” said Nigel Davies, President FESPA Australia “and it was especially great to see each other again and meet with people from all parts of the industry to hear their news and share their stories.”

“Life-long friendships start at these events and it is especially rewarding that members of such a diverse community can share many things in common.” Davies said.

The BBQ kicked off at 5.00pm and continued well into the evening, concluding at 10.30pm.

About FESPA Australia

FESPA Australia is the peak industry Association that connects you to the global resources of over 16,000 printers worldwide who share national and international knowledge. We provide a range of services and support for companies that add value through graphic imaging of products and materials. Our members include leading digital printers, screen printers, sign makers and promotional product printers manufacturing a diverse range of products.
