Doreen Shirky - Impression Markings
Dylan Noble - Macarthur Signs

The full details of the winning entries per category and the winners of the Highly Commended Awards winners will be announced at the HP Awards For Excellence dinner on 28 September 2021 in Melbourne. All of the entries and their associated categories can be found under the news section of the www.signs.org.au and www.fespaustralia.org.au websites.

“With COVID forcing the rescheduling of the Awards dinner for the third time, we decided the time for announcing the winners was now,” said ASGA President Julie Rochester.

“The Awards is about highlighting and promoting excellence in the industry and we didn’t want to wait any longer. The winners have been provided with digital badges to promote the fact that they are 2020 Awards’ winners, but they won’t know how many awards they have won or whether they have won any of the Highly Commended Awards until the full details are announced at the prestigious Awards dinner in September. We are looking forward to the industry getting together to celebrate. Whether you are a winner or not, attending the dinner will be a great networking opportunity and an opportunity to reflect on the creativity, innovation and determination behind the final products.”

FESPA Australia President, Nigel Davies added, “one of the many highlights of the awards is the People’s Choice Award which we will launch in August. The way this Award works is all of the entries get listed on a dedicated ASGA/FESPA Awards Facebook page and everyone gets to vote for their favourite entry. The People’s Choice Award is a great way to raise your profile to customer and suppliers and to get work

associates, friends and family involved, cheering and “liking” your project on and showing their support on the page.”

ASGA & FESPA HP 2020 Awards For Excellence would not be possible without the support of its sponsors – diamond: HP; gold: 3M, Amari Visual Solutions, Avery Dennison, Epson, Euro Poles, Graphic Art Mart, Visual Connections and silver: Ball & Doggett, Orafol, SMIB and Trotec.

About ASGA

For over forty years, the Australian Sign & Graphics Association has been the representative body for the sign and graphics industry in Australia. It covers the whole spectrum of sign makers, engravers, sign installers, signwriters, graphic designers, sign educators and apprentices, as well as sign industry suppliers.

About FESPA Australia

FESPA Australia is the peak industry Association that connects you to the global resources of over 16,000 printers worldwide who share national and international knowledge. We provide a range of services and support for companies that add value through graphic imaging of products and materials. Our members include leading digital printers, screen printers, sign makers and promotional product printers manufacturing a diverse range of products.
